

Festive Shopping Discounts at City Square

Adults and children alike will want to be in City Square this Friday night as the shopping centre hosts an exciting pre-Christmas Discount Shopping Event from 5pm to 9pm. A shoppers paradise awaits as the Debenhams mid-season sale will be in full swing and most the stores in the centre will be offering exclusive discounts for one night only. This is a once off opportunity to bag a bargain before the Christmas shopping rush begins.

However that is not all, Santa himself will drop in to check on the children of Waterford and to turn on the Christmas lights. At 7pm Santa will arrive at the Peter St entrance on a motorised trike with Mrs Claus and he will turn on the light at 7.30pm. There will be live music on the mall from 6pm to 9pm. Earlier in the day WLRfm will broadcast live from the centre between 3 and 6pm with favourite DJ Oliver Carroll playing the tracks in preparation for the Discount night ahead. Its not just the stores offering discounts as parking is just €2 for 3 hours from 5pm.

Centre Manager Alan Weston said "last year we introduced this event and it was a huge success and this year we want to make it bigger and better so we are starting at 5pm to give people even more time to avail of the great discounts." Details of the actual store offers will be published on the City Square website and facebook page on Thursday.

There is a very positive atmosphere around City Square at the moment with the new owners officially confirmed and they have exciting plans to upgrade the look and shopping offer in City Square which will be a major boost to Waterford city centre. Santa will return to City Square on Saturday 28th November where he will have a grotto at the top of the escalator beside Kylemore.
